- **Women's Business Circle**- This committee is focused on uplifting and supporting women in business. The committee will also focus on fostering collaborations between the women in our organization.
- **Home Business Connect**-This committee is focused on supporting and connecting those entrepreneurs who run their business from home. Many times because of time constraints they don't get a chance to get out and network. This is why we felt like it would be great to connect with them via Zoom. This will be a monthly Zoom meeting that is open to all of our members that will last for 90 minutes. We will need someone to chair the committee and a co-chair just in case the chair can't make it.
